### **Recent Competitive Research Grants**

- National Strategic Education Research Center  
Topic: Preparing Medical Education Future Radar  
Project Director
- Institute for futures studies in Health  
Topic: Horizon Scanning system design for Iran  
Project Director
- Health Foresight and Innovation research center  
Topic: Designing a Modell for health environmental scanning  
Project Director
- World Health Organization  
Topic: Primary Health Care (PHC) assessment in Iran  
Project Director
- Iranian Planning and Budget Organization  
Topic: Health Spatial Planning in Iran  
Project Director
- Ministry of Health and Medical Education of Iran  
Iran Health Master plan (1404)  
Co-Investigator
- Ministry of Health and Medical Education of Iran  
Topic: "Designing a model for R&D unit in Medical Universities of Iran. 2006.  
Co-Investigator
- Iran National Research Center for Medical Science  
Topic: SWOT of Industry linkage in Medical Universities of Iran.  
Co-Investigator
- National Institute for Health research  
Topic: Off-site Sterilization: Health Technology assessment  
Project Director
- Iran health insurance organization

Topic: Design a methodology for determining benefit package in Iran

Project Director

- Kerman University of Medical Sciences

Clinical Governance: The Challenges of Implementation in Iran

Project Director

- Kerman University of Medical Sciences

EFQM-based Self-assessment of Quality Management in Hospitals Affiliated to KMU

Project Director

- National Institute for Health research

Topic: Assessment of health services quality in Iran

Project Director
